

2025 American Dahlia Society Local Shows Report

Artistic Design by Marilyn Weber, photo
Pat Sadatki

Introduction

Thanks to the societies that provided reports and pictures for this report. Unfortunately, many societies chose not to participate this year. If you have questions as to why your society is not represented, please contact your local leadership.

Each society was allowed to format their report(s) in their own unique way.

Please use the bookmark feature of your pdf reader to navigate the report. And remember, most pdf file readers allow you to zoom in/out for ease of viewing.

This report is probably best read on a larger screen (as opposed to a tablet or a phone).

Enjoy reviewing the 2025 Dahlia Show season!

**58th Annual ADS National Show
and
Midwest Dahlia Conference
Hosted by the Central States Dahlia Society
September 18 - 21, 2025
Chicago Botanic Garden**

Alberta Dahlia and Glad Society

By Debbie Hatt, Secretary & Trial Garden Director

By Debbie Hatt & Shirley Cullum Sept 12, 2025

The Alberta Dahlia and Glad Society is a dynamic and thriving club, supported by a dedicated group of volunteers. Over the years, we have grown and evolved to meet the changing needs of our members while staying true to our passion for dahlias and glads.

We are proud to host **Canada's only dahlia trial garden**, which also serves as the growing site for **All America Select gladiolus varieties**. Each week, our members come together to tend to the garden, creating a welcoming space where new members can learn from experienced growers about the care and cultivation of these stunning flowers. (Ken Jensen planting the AAS glads in the trial garden).

Tuber Sales Success Story: From the very beginning, our club members have contributed their extra tubers for sale, with all proceeds supporting the club. In 2024, we found ourselves with a surplus of unsold tubers, so we got creative, potting them up for sale at farmers' markets and offering them to nurseries at a discounted price for resale. This approach paid off, bringing in a total of \$8,000 in sales that year. (Terri-Lynn Dodd selling dahlia plants at a farmer's market in 2024).

In 2025, we took things to the next level by upgrading our website to include an Online Shop. Setting it up was no small task—it required photographing each variety, writing descriptions, and ensuring proper classification numbers were in place. But the effort was well worth it! We launched with over 250 varieties, initially offering sales exclusively to members at a 20% discount during the first week. After that, the store opened to the public, and orders started pouring in from across Canada.

Some varieties sold out quickly, but thanks to ongoing donations, our inventory remained fresh and constantly updated. The online shop has been a fantastic addition, making it easier than ever to share our passion for tubers while supporting the club's growth.

When our online shop launched, visitors were welcomed with a beautifully organized display of dahlia photos, each accompanied by its classification number. Ordering was effortless—simply clicking on a photo opened a full-sized image along with a detailed description, allowing customers to easily add tubers to their cart. Once our online shop closed on May 20, 2025, we sold the remaining tubers at a local plant exchange, ensuring nothing went to waste. By the end of the

season, our total tuber sales reached an impressive \$10,000, marking another successful year for our club!

Trial Garden: Under the leadership and inspiration of our club President, Shirley Cullum, we have successfully relocated the trial garden from the home of Lorne & Marilyn McArthur in Red Deer County to a fenced area at The Olds College of Agriculture and Technology (Central Alberta). It's a good partnership and we share the fenced area with a Lily Trial Garden and other student growing projects. The Olds College maintains walking trails through their Botanic Gardens and Wetlands; 25 acres of aesthetically beautiful, diverse and well-maintained gardens and

constructed wetlands. The area is open anytime all summer (just close the gate behind you) or you can call Shirley at 403-443-0982 or Herb at 403-350-9206 for more information.

Education & Training: We provide learning opportunities for everyone interested in dahlias and glads. Each week, our trial garden work bees are followed by quick 30-minute learning sessions, ensuring hands-on experience and knowledge-sharing among members. Our goal is to support and encourage those who wish to deepen their expertise—whether simply learning about cultivation or pursuing accreditation as a dahlia or glad judge. We are proud to have several Senior Dahlia Judges in our club, with more members currently completing the program. Additionally, we are in the final stages of establishing the Accredited Glad Spike Judge status for several members. Special recognition goes to Debbie Hatt (Secretary) who served on the ADS exam committee and played a key role in developing the NAGC Glad Spike Judging Modules, books, and pins—helping shape the future of glad judging standards. Reg Powys-Lybbe teaching in 2022.

Events: We have two main summer events.: On August 9, 2025 we had our grand opening along with our annual 'Summer Celebration' at our trial garden location in Olds, Alberta. On this day we had the glad spike "point scoring" judge training overseen by our very own Reg Powys-Lybbe who is the ONLY accredited glad spike judge in Canada. This was followed by a fun workshop on how to

make and wrap a floral bouquet, and how to make a bouquet in a vase. Shirley Cullum instructed and each attendee took home two bouquets. The day ended with a delicious pot-luck supper with smoked brisket and homemade desserts. Our second event is our annual flower show (and quilt display) held in tents at the trial garden location (August 23 and 24, 2025). Members and non-members can exhibit their best blooms for official judging. During and after the show we sell flower bouquets and visitors are always very impressed with the event. (Flower show and quilt display 2024).

Other community involvement: We provide dahlia and glad judges to two shows in the area (Rumsey and Trochu) to enable them to have sanctioned shows. We donated dahlia tubers to the Trochu Arboretum and, in the past, we have donated dahlia plants to the Red Deer Hospital. We donated dahlia tubers to a group of young gardeners and our member, Terri-Lynn Dodd, is providing weekly mentorship with the goal that these young people will exhibit their blooms in the local garden show. Our club also sponsors the cash prizes for this youth category in the Red Deer River (Rumsey) Show. Our Grand Opening event on August 9, 2025 had Olds College community and member representatives and we were busy doing garden tours!

Our Awesome Volunteers: No article would be complete without mentioning some of our most hard-working volunteers. Mike Walliser is our Vice-President and membership chair and keeps track of all the member payments and status, not an easy job. He takes a major role in the tuber sales and oversees the irrigation system and the party tents. He is a senior dahlia judge and is vital to our events. Herb Noyes (Board Member) is always on hand to help with whatever is needed and we couldn't do without him. Ron (Treasurer) and Terri-Lynn Dodd (Board Member) are active in the

'Canadian Dahlia and Glad Society' and vital to our club with their unwavering support in labour and support in all the events we have.

There are many more volunteers whom we count on, and we couldn't exist without all of them!

Finally, we want to recognize Shirley Cullum, our President, whose leadership and vision have kept us all engaged and inspired. She was the driving force behind the relocation of the trial garden, forming the plan and leading by example through hard work and

countless hours of dedication. (The Grand Opening of the new Trial Garden August 9, 2025).

 We would like to thank everyone who made this show possible. It's a lot of work, but fortunately, shared by so many.

Special thanks to Delhi Flower and Garden Center. Matt and his people are wonderful!
 They rolled out the red carpet for us!

Dahlia Society of California

August 17-18, 2025

With approximately 2,500 dahlias in competition, Jenna added another 500 with 4 photo op stops. Cash prizes rewarded 34 growers. The necessity to combine fruit, vegetables and “frivolity” inspired our designers to construct funny and gorgeous arrangements. We exceeded the number of our previous Junior entrants; they are our future, after all. By positioning the People’s Choice in front of our Membership Table we added more new members than ever before. A timely San Francisco Chronicle article combined with savvy social media attracted more public than we’ve ever had attend. Best of all, we had more active volunteers than ever before. Next year is the One Hundredth Anniversary of the Dahlia being declared the official flower of San Francisco. Just imagine how we’ll celebrate!

Dahlia Society of Ohio (DSO)

Dahlia

SOCIETY OF OHIO

The Dahlia Society of Ohio hosted its annual four shows, Cuyahoga County Fair, Geauga County Fair, Summit Mall, and the Members Only Petitti's Show, starting in the first half of August and ending the weekend in October. Mother Nature did NOT cooperate early in the season with record heat and drought, but as the summer continued some relief, and high water bills provided more award winning blooms!

While some of the usual suspects populated the head tables, it was the number of NEW exhibitors to the DSO shows this year that was a VERY PLEASANT surprise. During the 2024 Show season there were two unique, new exhibitors for the whole summer. THIS 2025 show season saw EIGHTEEN new exhibitors to DSO shows. At our Summit Mall "Club Show" EVERY SINGLE VASE owned by the club held a flower!! One of our last "club meeting" topics in the Spring was dedicated to "So you think you might want to show". Maybe that's what brought the rookies in? Whatever it was, we hope they come back and bring some new friends this year!

Already looking forward to 2026!!!

Best Container	5 Ferncliff Lemon Aura	Mike Parrish
Glen Hamilton Award *Best BB Exhibit*	5 Ferncliff Lemon Aura	Mike Parrish

After a terrible year for growing dahlias, somehow our members were able to bring some quality blooms to the show. Once again, the top awards were amongst eight growers. Novice exhibitors came with lots of bloom for the show table. The number of entries were down in some size classes which was to be expected after the extreme heat (which caused a check for continuous growth) and lack of rain during the summer. All the best for the new year and the new growing season that will soon be upon us.

2025 NM Dahlia Festival, September 28, 2025

(Legacy of a Dahlia Hobbyist – Eldon Wilson)

Held at the Albuquerque Garden Center, 10120 Lomas Blvd. NE

Eldon Wilson lived in Washington State and was a friend of Les Connell who grew and developed many new dahlia varieties. After Eldon died in 1991, Les dedicated a dahlia to him and it has been grown by his son, John every since. John moved to Placitas, NM and in early 2025 offered 50 tubers to the NMDS. The Flower of the Year 2025 is the Eldon Wilson, a yellow Stellar with orange reverse. A special ribbon is awarded to the best Eldon Wilson in the show.

San Leandro Dahlia Society

Lake Merritt Garden Center

Oakland, CA

August 30–31, 2025

The location was spacious and accommodated our blooms. We had a warm welcoming table at the entrance, a spectacular photo booth designed by Lana and Cristina and abundant bouquet sales organized by Olivia, Patricia and assisted by Camy, Kathy, Herb and others. Many people “just walking by” visited the show, with about 1,000 attending in the two days. The show was a happy place with so many “oohs” and “aahs” as people admired the diversity of dahlias.

Southeastern Michigan Dahlia Society

September 6-7, 2025; Orchard Mall, West Bloomfield, MI

This year's show had a record number of thirty exhibitors, over half of whom were Novices. We are excited about the growing interest in showing dahlias. Over 800 entries and 1,400 blooms were displayed at the show.

The hottest contested section was Novice BB with 76 entries, almost 10% of the entire show. Liz Schomers grew the winner, 3410 AC Petalicious.

Section	Class	Cultivar	Exhibitor
Best AA - Novice	0110	Advance	Sharon Stroh

Getting ready for the show – above photos

Club members who did not display blooms supported the show with their work in setting up, helping exhibitors with staging supplies and with the big tear down. The tear down reminded me of a flash-mob. One minute, no one was around, then dozens of people descended, disposed of water, cleaned vases, packed up everything and then disappeared as quickly as they appeared. Thanks to all who participated.

Shown at left are Roz's blooms. A flat tire quashed her plans to display these at the show.

Honor Table shown below:

Class 270 - Any Holland Original	Connie Young Davis	Hy Mom
Largest Dahlia in Show	Paul and Cheryl Howard	Sir Alf Ramsey

Victoria Dahlia Society

Show season had a wonderful start with the Victoria Dahlia Society, hosting the Pacific Northwest Dahlia Conference for 2025!! We are the first show in the PNDC and what a show it was. We had a record-breaking 27 American dahlia friends in attendance who flew and drove their blooms to Victoria, British Columbia for the show. The Duke of Dahlias, aka Larry Smith and Deb Gilmer made a clean sweep of the Head Table Micro sections. Those little beauties travel well and are such a joy to see on the tables. Another first for our club is the Design Arrangement section. It was exciting to see all the entries and congratulations to both Cynthia Patterson and Teresa Smith for your head table wins. We also had a strong representation from our Nanaimo, Vancouver and Victoria judges, to which we are immensely appreciative. Our club is very grateful of the support the PNDC and Federation clubs have show in not only exhibiting but also judging in our show this year. The sharing of thoughts and ideas is essential to the continued growth of all our organizations.

Thank you to Thomas Wolnicki, who, before the Hall opened on Saturday, physically counted the exhibits and blooms in the show. For those who like statistics, here you go. We had 754 exhibits, a 36% increase over last year. The total number of blooms in the show was 1084; we have no comparison to past years. Thomas then broke down the exhibitor levels: 34% Open, 25% Amateur, 31% Novice, 8% Special Classes, and 2% Junior. The interesting number for us is that Novice exhibitors were just short of the Open exhibitors, which means we had many more Novices entering the show this year !! It feels great that we are attracting more exhibitors to take the chance to enter their blooms, and I know many walked away with ribbons.

That evening at the banquet and awards dinner, we are proud to announce that Cathrine Featherby, Teresa Thom, and Phil Newton received Lifetime Achievement Awards. These awards are well deserved for the many, many years of service to the Victoria Dahlia Society, the Pacific National Dahlia Conference (PNDC), and the American Dahlia Society (ADS) in general.

In addition, Connie Young Davis received the trophy for the "Best Single Flower in Show". A well-deserved award for all her hard work and experience bringing the best bloom to the show. In fact Connie won both the Best Single (Mary's Jomanda) and Triple (Sir Richard) Flower in Show this year, well done !!

On Sunday, Connie hosted a breakfast which was well received and delicious. Later that morning she also held a presentation on staging and answered many questions from the group. Her expertise within our society and her continued instruction and encouragement of our members is very much appreciated.

Also on Sunday we held our annual Garden Tour, with 5 members opening their gardens. Many thanks to Cathrine Featherby, Teresa Smith, Wayne Reid, Katy Connelly (Sea Dog Farm) and Alison Melis. Such an array of different gardens, showing that Dahlia's are versatile and easily integrated into any landscape.

In closing I would like to thank Julie Moore, President of the PNDC and Larry Smith, Past President of the PNDC for all their support leading up to and during the Dahia Show this year. What a large undertaking but with many hands make light work 😊

Marguerite Casey-Wolnicki
President
Victoria Dahlia Society
